# STANDARD GUARANTEE

—of—

## **American Shorthorn Breeders' Association**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

L. F. RED ROSEWOOD 2d—Each year we like to consign a young proven cow with an outstanding calf at side and bred back to a good bull. This beautiful dark red cow fills the bill and then some. I could write a page on either the cow—the calf—or the calf she is carrying. Either one could make history. The dark red bull calf at side was dropped Nov. 1st and is sired by EUREKA UPRIGHT 2D. She is carrying the service of OAKWOOD REQUEST for a September calf. A three-in-one combination that spells profit. Vaccinated. Herd T. B. and Bangs certified.

## *One Decade of Progress*

For ten years the Pennsylvania Shorthorn Breeders have held an Annual Spring sale at Butler. And as so goes the breed, for ten years the quality of the individuals consigned to this sale has improved, and Pennsylvania is rightfully taking its place among the other Shorthorn states. For this year's sale, the breeders are consigning a quality offering and the pedigrees of the animals consigned will have the same breeders back of them as you would find in any other state. This bears out the fact that Pennsylvania breeders have the right bulls in service.

We invite all those who are interested in Shorthorn cattle to attend this annual sale and we will look forward to seeing you sale day.
